### BLASCO IDEA LAB PARTNERS WITH MARITIME MUSEUM FOR MONDAY MAKERS PROGRAM

The Erie County Public Library's Idea Lab and Erie Maritime Museum are teaming up for **Monday Makers: Maritime Edition on Monday March 12 from 6-8PM**. Join Niagara Shipwright Adam Stanisz for a rare behind the scenes tour of the Niagara's Wood Shop, Rig Shop, and a tour of the Niagara herself! We will gather in the Blasco Library Idea Lab Makerspace promptly at 6PM to begin the tour.

Other Monday Makers programs in March include the following:

**March 5: Celebrate National Astronomy Week:** Listen to the sounds of the Golden Record. These phonograph records contain sounds and images selected by Carl Sagan and his team of scientists that portray the diversity of life and culture on Earth. They are a time capsule for our planet. Join us in the Idea Lab as we listen to the sounds of the Golden Record (now newly out on vinyl!) and plan our own personal or family time capsules! For more information, call 814-451-6927 or email [idealab@eriecountypa.gov](mailto:idealab@eriecountypa.gov).

**March 19: DIY Salt and Sugar Scrubs:** Make a soothing salt or sugar skin scrub for yourself or someone special using all natural ingredients! Supplies provided. For more information, call 814-451-6927 or email [idealab@eriecountypa.gov](mailto:idealab@eriecountypa.gov). This program sponsored by the Library Foundation.

**March 26: Open Drawing Sessions:** Learn some of the basics of drawing with pencils and charcoal in an open workshop led by local artist Patty Mazza. Open Drawing Sessions will take place on the last Monday of every month. Supplies provided, but may bring your own. For more information, call 814-451-6927 or email [idealab@eriecountypa.gov](mailto:idealab@eriecountypa.gov). This program sponsored by the Library Foundation.
